

Certificate of Declaration RoHS/PFOS/REACH

This document, dated January 1, 2008 is the complete declaration of behalf of GardTec Incorporated, that products manufactured comply with the following current European and Chinese Directives.

RoHS(Restrictions of Hazardous Substances in Eletronic/Electrical Equipment), a European Directive (2002/95/EC) that bans the use of various materials produced in electronic/electrical equipment. Restricted materials have been eliminated/reduced to levels considered acceptable, based upon the Directive.

PFOS, Directive 2006/122/ECOF, and amended Council Directive 76/769/EEC, the European Directive as it relates to restrictions on the marketing and use of certain dangerous substances and preparations(perfluorooctane sultonates).

REACH Regulation (EC) No. 1907/2006 imposes requirements for the Registration, Evaluation and Authorization of Chemical substances and products sold in the EU countries.

People's Republic of China Electronic Industry Standard SJ/T 11363-2006 for the Requirements for Concentration Limits for Certain Hazardous Substances in Electronic Information Products as issued on November 11, 2006.
